

History and Physical Note

Patient: Emma Mueller
DOB: 04/10/1971
Gender: Female
Phone: +1-555-0107
Address: 505 Aspen Ct, Mountain View
Visit Date: 03/06/2026

Subjective Notes:

Emma reports a burning sensation in her chest that occurs mostly after large meals and at night. Occasionally tastes acid in the back of her throat. No weight loss or dysphagia.

Objective Notes:

Vitals: BP 130/82, Pulse 76, Temp 98.4°F. Abdomen soft, non-tender, no organomegaly. Heart and lung sounds normal.

Assessment Notes:

Diagnosis: Gastroesophageal Reflux Disease (K21.9)

Plan Notes:

Start Omeprazole 20mg daily before breakfast. Lifestyle advice: avoid spicy/fatty foods, elevate head of bed, and avoid eating 3 hours before sleep.
